

**GLOBAL TRAINING TOUR 2026****Fondarex Celebrates 80 Years of Innovation!**

In 2026, we mark a historic milestone – 80 years of pioneering die casting solutions.

Instead of exhibiting, we're hitting the road – bringing our latest technologies, deep expertise, and hands-on training directly to you.

Join us for 21 exclusive sessions across 14 countries, where we'll explore the performance and precision of our VACUUM, JET COOLING, and SQUEEZE technologies – and uncover the future of die casting together.
